Great 1+ acre corner lot located on paved Wildhorse Mesa Road (also known as Sharon Street) in Bennett Springs (which is between Pioche and Caliente off HWY 93). There is power at the lot. Great lot to build a permanent residence or just a spot to get away from it all!

Panca

This small unincorporated town is located just seven miles north. There are services such as grocery and gas available.

Caliente

Located eight miles south, Caliente has all services including hotels, restaurants, etc. Caliente has the unique distinction of being the least populated incorporated city in Nevada. It gets its name from the nearby hot springs. Caliente is home to extensive outdoor recreation opportunities. There are approximately 30 miles of purpose-built singletrack mountain bike trail in and around town, bringing mountain bikers from across the country to enjoy the wild, isolated Nevada desert. There are thousands of miles of motorized off-road track and trail, and several large motorized races and events are hosted in Caliente each year.

Lincoln County

Less than 5% of Lincoln County is privately owned, with the majority of being federal land. Most of these federal lands are open to recreational use making this area highly desirable for outdoor recreation. Nevada's largest BLM managed OHV off-road vehicle trail system, Silver State Trail, is located in Lincoln County. This provides for everything from ATV, to mountain bikes and horses. In addition to the many miles of trails there are lakes stocked with fish and plenty of hunting opportunities from bird to big game. The region also has an interesting history of mining and ranching with numerous mining ghost towns.
