
Location Plat of

Eureka Townsite and Vicinity Miscellaneous Mining Claims

Located within the Eureka Mining District
San Juan County, Colorado

General Notes:

1. The displayed claims are projected on the topographical quads "Handies Peak" using Latitude & Longitude taken with a handheld GPS receiver at found original corner monuments or other positively identified physical features as called for and described in the field notes for said claims.
2. The estimated accuracy of the displayed claim boundaries in relation to the topographical map is ± 100'. This error ellipse is partially due to problems inherent with the orthorectification of ".TIFF" images together with unadjusted differential GPS data.
3. This map does not imply that a bona-fide survey was done to set or determine boundary location of the displayed claims.
