Cute little cabin on over 42 acres in honeydew. Lovely property with timberland and some open spaces/building sites. Spring water comes from below the meadow into a tank system and down to the cabin. There is a lovely sunny flat below the dwelling with mountain views. The cabin is in rough shape and needs work. It has a wood stove, a sleeping loft, a shower and no toilet, and a kitchen sink but no stove or fridge. Generator power. Mountain living at it's best! Come make this your little dream homestead today, with plenty of room to garden and enjoy the coastal sunshine.
